#### A new methodology and tools

## 120 Country fiches

- Brief description of the government system and governance relations
- Institutional and regulatory framework of local and regional governments
- Local government structure: division of powers; electoral process
- On-going administrative and territorial reforms
- Assignment of responsibilities (under 8 functions) + *de facto* power sharing
- Local and regional government expenditure : by category and by economic function
- Local and regional government revenue
- Local and regional government debt

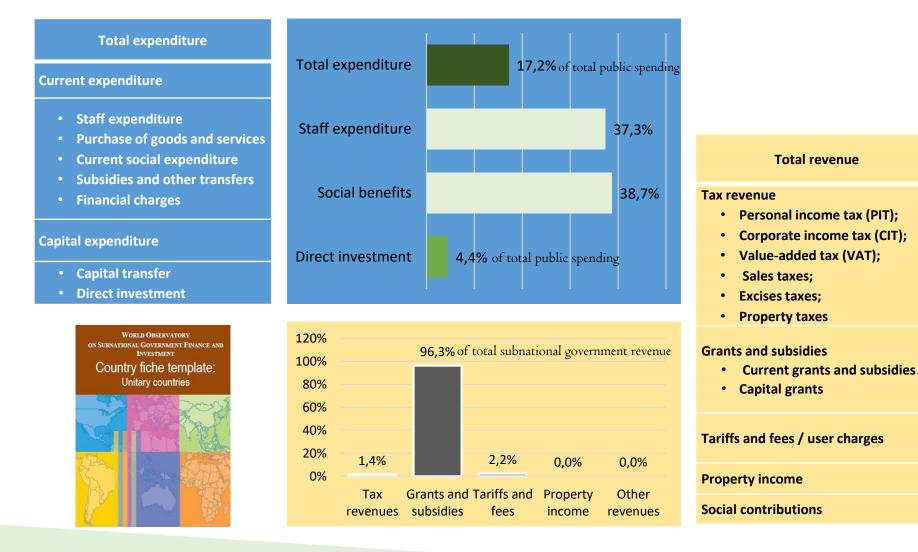

■ SNG expenditure % on GDP

SNG revenue % on GDP

#### Asia Pacific : expenditure/revenue

### Uganda

- Complete the update in some countries (e.g., *Republic of Congo*)
- Solve risk of discontinuity: *Cameroon; Mauritania.*

• Limited data (7 countries)

• Lack of data in 10+ countries including :

Bangladesh; Burkina; Chad; Côte d'Ivoire; Ghana; Guinea; Madagascar; Mali; Nepal; Sierra Leone.

- Create regional networks of partners and peer-reviewers;
- Update territorial information and enhance ownership
- Support financial data collection (Ministry of Finance or National Accounts (etc.))
- Support efforts for data reliability and harmonization
- Comment on the *de facto* spending assignment and revenue allocation
- Assess existing financing mechanisms and *de facto* conditions to mobilize external resources from national government or markets.
- Financial support to continue running
